## N°13: Remembering our Cousins

This album contains collages made by Brian Smith as a tribute to those cousins who have made the transition from this life. I have chosen from this extensive collection and have hopefully been able to put together a collage for each cousin that assists us in remembering the great fortune we, the Smith Cousins, have been allowed to experience for I know of no family with such a dedicated, joyful, and fun bunch of nuts.

For those that come after us, my sincere hope is that this helps future generations to keep the fun alive.

I am forever indebted to these people who have shared their photographs and/or by those who have possession of them and shared them with me.

By Dr. Brian A. Smith
